This Week's Learning

Reading

This week we will learn how our classroom library is organized and how to use it and how to take care of the books we borrow.

Writing

We are setting up our writing journals and will spend time thinking of some of our favorite things to begin making lists of things we can write about this year.

Phonics

We are learning about "No Excuse" words. These words are kindergarten and 1st grade words that we have "no excuse" to spell wrong.

Math

We are taking a benchmark assessment. It is spread out over three days. Students will take this same test again in March to see how much they've progressed this year.

Social Studies

We are learning how to be good learners and kind classmates and practicing working together effectively.

Character Focus

We are learning how to be good learners and kind classmates.

Weekly At-Home Challenge

Look here for a learning challenge to do at home in the coming weeks!
